## Tip of the Month

Don't forget we can supply your JDN Air Winch fitted with wire rope - see our winch selection chart data on our web site for suitable rope diameters/lengths which are available for each winch capacity.

## OTC 2007

The 2007 Offshore Technology Conference, OTC 2007, will be held from 30<sup>th</sup> April to 3<sup>rd</sup> May at

Reliant Center in Houston, Texas, USA. Please visit us at the world's foremost event for the development of offshore resources in the fields of drilling, exploration, production and environmental protection.

The attendance at OTC 2006 reached a 24-year high, as nearly 60,000 exploration and production professionals met to learn about the latest technologies.

You will find us at the German Pavilion, booth no. 4934. Representatives of all JDN companies will be at your's disposal there on 30<sup>th</sup> April and 1<sup>st</sup> May.

We are looking forward to your visit.
